

SAMSON AUTHORIZED REPAIR TRAINING SCHOOL

- School is intended for Samson distributor personnel that install and repair lubrication equipment. System design is also included.
- School starts at 8 AM on the first day and ends at noon on the third day.
- Cost is \$250; upon successful completion of exam, company will receive \$250.00 credit.
- All meals, hotel room, and airport transportation provided by Samson. Airport transportation only provided to/from Asheville Airport and only when itinerary is submitted 1 week in advance. Each participant will receive instruction the week prior regarding rooms and transportation.
- School includes
 - ◆ Pump theory, ratios, design, installation, and repair
 - ◆ Hose reel design, installation, and repair
 - ◆ Control handles
 - ◆ Control systems
 - ◆ Installation guidelines and start up
- To reserve a spot, email or fax your purchase order to Customer Service to the attention of Jill Swaringen; jswaringen@samsoncorporation.com. Classes are limited to twelve participants. Once a spot has been reserved, the \$250 fee will be invoiced whether the individual attends class or not.
- Direct questions to your Samson representative or Division Manager.
- 2010 Class Dates;
 - ◆ February 2 to 4 2010
 - ◆ May 4 to 6 2010
 - ◆ August 3 to 5 2010
 - ◆ November 2 to 4 2010
